

Disciple | Hope in the Book of Mark

Week 3: Kingdom Basics

Mark 4.1-34

Once again Jesus began teaching by the lakeshore. A very large crowd soon gathered around him, so he got into a boat. Then he sat in the boat while all the people remained on the shore. He taught them by telling many stories in the form of parables, such as this one:

"Listen! A farmer went out to plant some seed. As he scattered it across his field, some of the seed fell on a footpath, and the birds came and ate it. Other seed fell on shallow soil with underlying rock. The seed sprouted quickly because the soil was shallow. But the plant soon wilted under the hot sun, and since it didn't have deep roots, it died. Other seed fell among thorns that grew up and choked out the tender plants so they produced no grain. Still other seeds fell on fertile soil, and they sprouted, grew, and produced a crop that was thirty, sixty, and even a hundred times as much as had been planted!" Then he said, "Anyone with ears to hear should listen and understand."
