

HOW TO NAVIGATE THE LOGOS BIBLE APP

As we jump into the Bible Engagement Project, Logos Bible Software is going to a great tool. Below is a guide that will show you where to find everything that you need to join with us. You can find it on the Google App Store or the Apple App Store. Or, if you would prefer, you can download it on PC/Mac if you visit www.logos.com

Before downloading and using LOGOS, please visit www.newheightsconnersville.com/bep and follow step 1

Click on the menu button on the bottom right of the screen

Click "Reading Plans" to find the Read the Bible in a Year Plan (If you do not see the plan listed go to <https://faithlife.com/nhcc-c> And join the reading plan.)

Click "Courses" to access the Bible Engagement Devotionals

Inside your Logos Bible App, you will also find other Bible study tools.
