Bible Engagement Project | The Beginning

Week 2: God Is Our Creator - The Account of Creation

Genesis 1.1-31

In the beginning God created the heavens and the earth. The earth was formless and empty, and darkness covered the deep waters. And the Spirit of God was hovering over the surface of the waters.

Then God said, "Let there be light," and there was light. And God saw that the light was good.

Then God said, "Let us make human beings in our image, to be like us. They will reign over the fish in the sea, the birds in the sky, the livestock, all the wild animals on the earth, and the small animals that scurry along the ground."

So God created human beings in his own image.

In the image of God he created them;
male and female he created them.

Then God looked over all he had made, and he saw that it was very good!
