Week 17: Taking Down a Giant - 'With God, Anything is Possible'

1 Sam 17

The Philistines now mustered their army for battle and camped between Socoh and Azekah. Saul countered by gathering his Israelite troops near the valley of Elah. So the Philistines and Israelites faced each other on opposite hills, with the valley between them.

Then Goliath, a Philistine champion from Gath, came out of the Philistine ranks to face the forces of Israel. He was over nine feet tall! He wore a bronze helmet, and his bronze coat of mail weighed 125 pounds. He also wore bronze leg armor, and he carried a bronze javelin on his shoulder. The shaft of his spear was as heavy and thick as a weaver's beam, tipped with an iron spearhead that weighed 15 pounds. His armor bearer walked ahead of him carrying a shield.

Goliath stood and shouted a taunt across to the Israelites. "Why are you all coming out to fight?" he called. "I am the Philistine champion, but you are only the servants of Saul. Choose one man to come down here and fight me! If he kills me, then we will be your slaves. But if I kill him, you will be our slaves! I defy the armies of Israel today! Send me a man who will fight me!" When Saul and the Israelites heard this, they were terrified and deeply shaken.
