We will begin a new mid-week Bible Study on Thursday, March 3rd at 6 pm.

In Rediscover Church, Collin Hansen and Jonathan Leeman discuss why church is essential for believers and God's mission. Through biblical references and personal stories, they show readers God's true intention for corporate gathering: to spiritually strengthen members as individuals and the body of Christ. In an age of church-shopping and livestreamed services, rediscover why the future of the church relies on believers gathering regularly as the family of God.

If you are interested in purchasing a study guide please let the office know. We will be ordering those before the study starts.
