THANK YOU!
thank you!

Dear New Heights,

Thank you all very much for the wonderful and thoughtful gift! We are blessed to be apart of an amazing group of people and church! I have missed all of you so much! I can't wait to get back to normal routine again to where I am able to be with you all every Sunday. When Dan dropped the Valentine's Care Package off at my desk and told me it was from the church I broke down in tears! It was much needed. Thank you for always being so kind, supportive, loving, caring and overall amazing people to my hubby and I!

We love you! Thank you again!

Easter is right around the corner and it would be great if we could get several people involved. Please let me know if you can help out with any of these items during this time.

Thanks in advance

Mowing

It is that time of year again when things begin to green up so we're reaching out to see how many would like to help volunteer to mow and trim this year... we had a great group last year and are looking for new members to join the labor of love. If you would like to help in keeping the property looking nice, please consider giving a few hours a couple times a month by using our mowing equipment or using the trimmers to keep around the building looking top notch. I'll be available to give instructions on using the equipment safely if needed. We like to have a couple on the mowers each week and trimming every other week. If you'd like more information or would like to sign up, please reach out to me by text or email.

Thanks in advance
