

“Watching Game Footage”

1 Peter 5:8-9a

Stay alert! Watch out for your great enemy, the devil. He prowls around like a roaring lion, looking for someone to devour. Stand firm against him and be strong in your faith. NLT

Ever talk with a friend about something you want to do or try, only to later find an advertisement on your phone for that very thing/service? It’s like our phones are listening to us! Many advertisers collect info through your phone in order to customize an advertisement experience designed to appeal to you specifically. After all, the odds of you spending money on things you’d like to do/have are larger than you spending money on something random, right? I think the devil works in a similar way. He sees how we interact with this world, and often, our temptations match our desires. Funny how that works. If only there were someone who was able to overcome Satan’s temptations; someone that we could study/emulate in order to achieve victory ourselves...

Come join us on Sunday, and we’ll talk about someone who can help us do just that. - Zach
