

“Dinner With Schmucks”

Luke 5:29-31

Later, Levi held a banquet in his home with Jesus as the guest of honor. Many of Levi’s fellow tax collectors and other guests also ate with them. But the Pharisees and their teachers of religious law complained bitterly to Jesus’ disciples, “Why do you eat and drink with such scum?”

Jesus answered them, “Healthy people don’t need a doctor—sick people do. NLT

This weekend at New Heights, we’ll be voting in new leaders to help us carry the mission of the church forward. In the story that we’ll be covering, Jesus selects one from what most in his inner circle would consider an unlikely source. The tax collectors were hated because not only did they take people’s money, they took it to deliver it to Rome, whom the Jews of that day were none too fond of. Most tax collectors were considered traitors, so, why does Jesus consider them fit for leadership?

This weekend at New Heights, we’ll discuss what makes us special, and how to value others of even “low standing” as Jesus does. Come see us this weekend, and then hang around for lunch, afterwards -Zach

Dear New Heights Family,
I just want to thank you all for all the prayers that you raised up for me. I know all those prayers were answered. I was told the last tests showed no infection. I thank God and all my New Heights family for the prayers and caring that you show. I know I am blessed to have a beautiful Church family.
In Christian love,
Marcia Clark
