A Long “Luke” at the Book of Acts

“Is That What I Sound Like?”

Luke 6:37-42

11/3/24

Luke 6:41-42

And why worry about a speck in your friend’s eye when you have a log in your own? How can you think of saying, ‘Friend, let me help you get rid of that speck in your eye,’ when you can’t see past the log in your own eye? Hypocrite! First get rid of the log in your own eye; then you will see well enough to deal with the speck in your friend’s eye.” NLT

Have you ever listened to recordings of your own voice, only to be surprised by what it sounds like? Can be I honest with you about something? It took me a long time to get used to the sound of my own voice, and even longer to like it. In my own head my voice just sounds... I don’t know, better!

You might wonder how the two subjects connect, but what we’ll be talking about this weekend at New Heights, is how we shouldn’t be surprised by the “sound” of our own voice. Are the words of our lives matching the actions of our lives, or is what we’re saying synching up with what we’re doing? We want our community to see us as the kind of church that means what it says, and follows it’s words up with actions that match.
