

Luke 6:47-48

“As for everyone who comes to me and hears my words and puts them into practice, I will show you what they are like. They are like a man building a house, who dug down deep and laid the foundation on rock. When a flood came, the torrent struck that house but could not shake it, because it was well built. NIV

What does it take to build a solid house? Good sturdy walls, a nice, dry roof. Room for a big table with lots and lots of food. Maybe a spacious yard where we can play football. Those things are all nice, but in order to build a truly great house, you’ll need a good, solid foundation.

That’s the kind of foundation that Jesus offers. What does a church look like when it’s taken his advice and built a home on a solid foundation? What does a church like that value? What does it prioritize? Let’s take a few moments this weekend and discuss it. Hope to see you this weekend at New Heights!
