### Matthew 13:8

*“Still other seeds fell on fertile soil, and they produced a crop that was thirty, sixty, and even a hundred times as much as had been planted!” NLT*

If I promise not to do a straight-up retread of a previous sermon, would you mind terribly if we took another look at a story we covered a couple of weeks ago? As we’ve been working through Luke, we covered the Parable of the Sower, but now that we’re talking about evangelism, I want to take another look at that passage, and see what we can learn from a Sower who seems less concerned about where his seed is going, and more concerned that it’s being sown at all. After all, the greater the number of seed sown, the greater we have at growing a plant, right? I’ll at New Heights this weekend, but will be focused the week before on helping with the camp retreat at Mahoning Valley, so Bryan Jennings will be bringing the message. I’m excited to hear his perspective on this story, and see what more we can learn about sharing our hope found in God’s Word.

See you all Sunday!

-Zach, your Friendly Neighborhood Lead Pastor

 And my heart responds,  
 "Lord, I am coming."
