

Galatians 5:25

Since we live by the Spirit, let us keep in step with the Spirit. NIV

What does it mean to love the way Jesus loves? It means to love unconditionally, irrevocably, and completely, whether the object of our love deserves it or not. It's a commitment, really, to love and value others even if you don't feel particularly loving or willing to share with others. Romans 5 tells us that when we were at our most unlovable, that's when Jesus showed his great love to us.

We'll be starting a new series this Sunday focused on the fruit of the Spirit, and how we can all do a better job of exhibiting that fruit in our lives. Tune in this Sunday as we get started with love, the foundation of all the fruit of the Spirit, and the evidence of our belief in Jesus according to our Lord's own words in John 13:34-35. Hope you'll come and join us at New Heights this week as we begin to explore the Fruit of the Spirit and begin to talk about how to better exhibit it in our lives.

See you then!
