

Galatians 5:25

Since we live by the Spirit, let us keep in step with the Spirit. NIV

We've all been to the grocery store before when you just need to buy one quick thing, but even the self-checkouts or express lanes seem to be lined up to the back of the store. I prefer to pay cash for things as opposed to swiping my debit card, and have often considered just leaving the money necessary for any given item near the cash register and just moving on. I've never actually done it, but it's crossed my mind more than once.

They say patience is a virtue, but I don't know if I can say that it's a virtue I have. But it's one that I'm working to develop. That counts right? Right?

This weekend at New Heights, we'll talk about what it means for us to trust God in helping us to develop patience, and hopefully we'll pick up some pointers to help us become the patient people that God is calling us to be.

See you then!
