Isaiah 40:31b

...those who trust in the Lord will find new strength. They will soar high on wings like eagles. They will run and not grow weary. They will walk and not faint. NLT

Last week at Mahoning Valley Camp, we introduced an exciting new mission statement for New Heights. If you missed it, or just want to hear it again, here it is:

Leading People to New Heights in Jesus!

That's it. Simple, easy to remember, and it even incorporates the name of our church, effectively marrying our purpose with our identity. What it means simply defined is that whoever comes through our doors, be they first time visitors or long time members, ours will be a church that stands ready to take them to the next level of their faith and walk with Christ. We also introduced four new core values to help us accomplish this task. Those core values, our church will be: Service Oriented, Outward Focused, Actively Engaging, and Relationally Invested. Take the first letter of each value and you've got the formula, we will S.O.A.R to New Heights in Jesus! Over the next few weeks, we'll put each one of those values in the spotlight and talk about what it means and what it will require of us as a church. This week, we'll talk about what it means to be a service oriented church.
