

John 21:6

Then he said, "Throw out your net on the right-hand side of the boat, and you'll get some!" So they did, and they couldn't haul in the net because there were so many fish in it. NLT

Sheep. Notoriously stubborn animals. If you've never interacted with sheep and you'd like to try to have a similar experience, try interacting with a lamp, or a really hard to chair. You're bound to have about as exciting and rewarding of a time that I had interacting with sheep back in the day.

Thing is, though, I wasn't their shepherd. I was just some guy who couldn't stand having them cover his basketball court. Weird sentence, right? I'll straighten that out this weekend, but in the meantime, just know that if you encounter any sheep this weekend, unless you're their shepherd and you have a positive relationship with those sheep, you might find them to be more stubborn than entertaining. Come by New Heights this weekend and I'll elaborate a bit.

See you then! - Zach
