Ephesians 6:13

Therefore put on the full armor of God, so that when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand. NIV

Last week at camp, the kiddos had a chance to play a game called Archery Tag. And if you're wondering what that is, it's pretty much what it sounds like. Campers take plastic bows with plastic arrows that have a thick foam tip, and they fire away at each other. The object of the game is less shooting each other (although they really do go at each other) and more about shooting out 1 of 5 targets; circular dots in a larger white circle that sort of looks like a giant die that's stuck on the "5 side". After the targets are shot out, the team that shot the most wins. It was an excellent opportunity to illustrate the armor of God as we've been discussing it. Campers needed to wear helmets and protective eye gear - and everyone had to be strapped up before play began. Even though they're plastic and foam arrows, you could probably imagine that getting hit without a helmet would really hurt. And, let's just say it's a good thing some of these campers were wearing those helmets, as their buddies had really good aim.

Today, we'll talk about why the Helmet of Salvation is an important part of the armor of God setup. Hope to see you then/there!
