Psalm 29:2

Ascribe to the Lord the glory due his name; worship the Lord in the splendor of his holiness. NIV

If you joined us last week, or caught us online, you'll remember hearing about this idea that we need to be praying that God provides an "open door" for ministry opportunities, and that when we see them, we need to be ready to walk through them. That idea is at the heart of what this next sermon series - Open Door Policy - is all about. My hope/prayer is that we New Heights folk take Paul's words in Colossians 4 to heart and genuinely try our best to bring others into the kingdom by praying for those doors to effective ministry to open and, when we see them do so, to be willing to walk through and proclaim the message clearly. Thing is, if it does work out, we may well end up - hopefully so - with folks coming to church who may not be familiar with what we do or what to expect. We want to put those fears at ease and answer those questions as effectively as we can, so, the idea of the Open Door Policy series is to revisit why we do what we do during our worship time, and hopefully be able to not only ease the burden of our first time guests, but maybe also answer some questions you've had as well regarding why we do what we do. Come join us this Sunday and we'll begin by talking about why we worship together.
